**TRYOUT PACKET 2018-2019**

# AMERICAN CHEER TRYOUT PACKET

## SQUAD PLACEMENT

One of the biggest influencing factors in our program success is correct squad placement at tryouts. Squad placement is one of the most significant things we do all season long. Our goal at tryouts is to correctly evaluate each athlete and place each of them on the team that will best foster their growth as an athlete & person, and put our teams in the best position for success for the upcoming competition season.

**No experience is necessary to be a part of one of our American Cheer Teams.** We offer teams for ages 4 to adult and everyone makes a squad. Squads will be placed based on the rubric below with few exceptions. All-star cheerleading offers 5 different levels, which correspond to the type of tumbling skills, pyramids and stunts that a team can safely perform. Each level increases in difficulty.

Level	Standing Tumbling	Running Tumbling	Jumps

# AMERICAN CHEER TRYOUT PACKET

The cutoff date for each division is August 31, 2018 and December 31, 2019 for teams competing in the international divisions. Whatever age your athlete is on these dates, is the age they will compete the entire season.

Tiny All-Star Elite	5-6 years old
Mini All-Star Elite	5-8 years old
Youth All-Star Elite	5-11 years old

**You will be personally notified via email of your athlete's team placement on Sunday, May 20th after 6:00 pm following the evaluations.**

You will receive an email only if you turned in your completed registration on time and your accounts are current (past members). If your name is missing, it means something was missing or there is something that needs to be resolved first.

As you will see on the tumbling rubric, each level has a required set of skills, as well as an optional set of skills. Please understand, that a heavier emphasis will be placed on the **REQUIRED skills, and an athlete's ability to perform those skills at a proficient level.** We would much rather see skills demonstrated with a high caliber of technique, than a higher level of difficulty.

Just because an athlete can throw all of the optional skills does NOT mean they have put themselves in the best position to make a desired level. Athletes will put themselves in the best position to make a desired level by executing required skilled at a high caliber.

# AMERICAN CHEER TRYOUT PACKET

Squad placements are not permanent; they simply are good starting place for the season moving forward.

As coaches get to know athletes' strengths and weaknesses, parents shouldn't be surprised if there is movement during the summer months after tryouts.

**All-Star Elite Squads:** Those trying out for an All-Star Elite squad must have the highest level of commitment throughout the duration of the May to May season, attending practice regularly, all competitions, and meeting the financial responsibilities that typically are a part of All-Star cheerleading. These squads travel to compete at state, regional and national competitions, here in California, Arizona and Las Vegas. Teams Youth aged and above (Youth, Junior, and Senior) may have the possibility of traveling to Orlando, Florida and competing at The Summit. It will be the responsibility of the parents to meet the costs associated with the trip to Orlando, Florida through our booster club. Much, if not all, of this can be met through fundraising.

**All-Star Prep Squads:** Prep Squads compete mostly at local competitions, as well as performing at local events such as basketball & football games, etc. While the hours are lower, squad members are expected to be at all practices and performances, and understand they are making a commitment to complete the whole season. These squads will only travel to in-state competitions.

**Crossovers:** Crossovers are those competing on more than one squad. Those that elect to be a crossover will have an additional SO responsibility which covers the additional entry fees... it's a good deal! Families will be notified of additional SO when a competition schedule has been solidified.

## MCKAYLA HOLTZ

My name is McKayla Holtz, and this was my first season at American Cheer and I LOVED it. When I was little I played soccer until about 3 years ago when I fell in love with competition cheer. I was very nervous coming over from another gym and my first day here was the first day I got my braces on, that was rough. I walked in only knowing one or two people at the gym, but when I left practice that night, I felt like I had made 22 new best friends. It's never easy being the new girl, but I didn't have that feeling once.

Jason and Ashley have made me feel so welcomed and if I ever needed to hear a funny story, I'd always go to Jason and he'd have one. Every time I see Ashley I would say "Hi" and give her a big hug! American Cheer is my happy place, no matter what has happened during my day I know that I will go to American and take my mind off that and focus on the process of being a champion. American Cheer has changed my life!

## PRACTICES & SUMMER VACATIONS

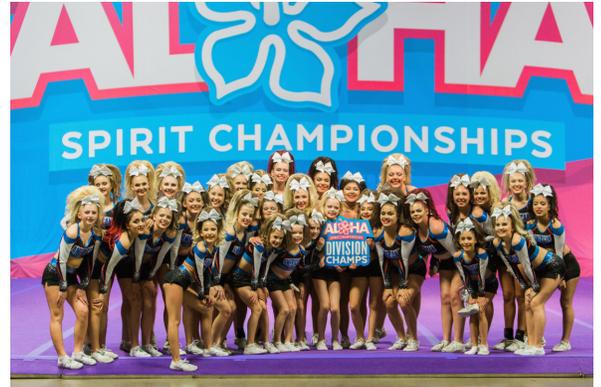

The summer is the foundation of our season; productive practices are a must for a successful season. **Practices are mandatory but we do encourage families to enjoy vacation time and other summer activities.** If you are in town, we expect that you will be at practice. If you're on vacation, enjoy your time away! We have created a weekend friendly schedule, so that families can enjoy their weekends as well.

**To aid in vacations and the maximum number of athletes at practice, we have suggested that families take vacations within the following dates when possible.**

- The week of May 28th-June 1st
- The week of June 4th-8th
- The week of July 2nd thru July 6th for Independence Day
- The week of July 30th- August 3rd

**There will also be no practices:**

- The week of July 4th thru July 8th for Independence Day
- Monday, September 3rd for Labor Day
- Wednesday, October 31st for Halloween
- The Week of Thanksgiving, November 19th-23rd
- December 19th - January 1st (Two Weeks for Christmas Break and New Years)
- Easter Break- Wednesday, April 17th-Sunday, April 21st. **Summit squads WILL practice on Monday, April 15th and Tuesday, April 16th.**
- Days cancelled by staff due to competitions, performances, special events at our facilities, staff training, clinics, or other days that the staff determines must be cancelled.

### Vacations - A Vacation

**Request form is required to be turned in by the 3rd week in June. Triplicate forms are available at Hospitality desk at each location.**

### BRITTNEY ODLE

“Family; the word I would choose to describe what life is like here at American. Our lives have been changed, for the better, since our journey at American began in 2014. AKSC has become a second home for us and the amazing friends, wonderful staff, awesome coaches, and great ownership is what makes American so outstanding and separates them

from everyone else. We are a family who is beyond proud to represent this remarkable organization and in return have it represent us. We sincerely love it here and we couldn't be happier to have found our place here at American.”

## PRACTICE ATTENDANCE

We are what we repeatedly do, so if we want to have great competition routines, we have to have great practices, and great practices are based on having the maximum number of athletes at the maximum amount of practices. There are few excused practices: contagious illnesses with a doctor's note, school graded events and family emergencies. Our practices are scheduled so that athletes may participate in both school and All-Star cheerleading. *However, other sports or work that conflict with practices, are NOT excused. Given the nature of this sport, if a conflict with an outside sport arises, cheerleaders must be willing to put their squad first. **Unexcused missed practices will result in a \$50 fee and a \$100 fee on a missed practice the week of a competition to cover the costs of extra practices that result from low attendances.** (Charges will not be enforced until school is back in session in August).*

**Planned absences after school starts, or for non vacation events, such as doctors appointments, must be communicated to the cheer department at least two weeks prior to the planned absence.** Unplanned absences such as sicknesses should be communicated to the **Cheer Director via email, Jason@aksc.com.**

*\*Communicating your absences does not necessarily excuse the absence*

### **Closed Practices**

For a more focused practiced environment with less outside distractions, select practices will be closed, choreography sessions, extra practices and the week of a competition.

### **Likely extra practices**

We try our best to keep extra practices to a minimum, however, to put teams in the best position for success extra practices will occur. For your planning purposes extra practices are likely to occur the week of a competition.

### **Tentative Choreography Dates**

Pyramid Choreography- August 17th-19th

Routine Choreography- September 14th-16th, 21st-22nd, 28th-29th

### **Communication**

Our official way of communication is via email. That's from us to families and families to cheer department. All other forms of communication are secondary (Facebook, Remind, smoke signals).

Cheer Director- Jason Larkins, Jason@aksc.com

Cheer Manager- Ashley Larkins, Ashley@aksc.com

CEO- Mike Williams- Mike@aksc.com

## QUITTING THE TEAM

There is a \$500 CANCELLATION FEE for any child that quits, is removed or does not follow the rules and guidelines of our program anytime between August 1, 2018 to the end of the competition season (May 5, 2019), with no refunds of any tuition, practice wear, uniform or JUMP SO fees. Drops have a huge negative impact on the other squad members and create additional choreography expenses and extra practice cost... you should join only with the intent of completing the season. Lastly a 30-day notice is also required for a member to drop, including end of season and must be submitted via the Parent Portal. To avoid the cancellation fee, online drops must be completed so that the affective drop date is prior to August 1st 2018.

## KYM IRIART

My experience with American cheer has been terrific and very educational for us as parents! We started out with our middle daughter cheering last year and this year we are all in with both of our daughters cheering on two different teams. I have seen phenomenal physical changes and personal growth in both of them. They are so much more confident in themselves and their improved confidence has transferred over into areas at school and relationships with friends. We have met wonderful families and friends and we have had so many fun experiences with our cheer families especially during competition season! The coaches and support staff are passionate and caring people who are always available to talk with. My daughters are loving this sport and we are excited for seasons to come !

## TUITION & ANNUAL CHEER MEMBERSHIP FEE

(Not covered in this section: Uniform, practice wear and competition costs.)

For our All-Star Elite squads Mini aged and below monthly tuition covers squad practices May-April. For All-Star Elite squads Youth aged and above, May-August monthly tuition covers squad practices and one additional hour of tumbling. Starting in September, monthly tuition covers squad practices only.

Annual Cheer Membership Fee covers our cheer administrative hours. The differences in cost reflect not only the hours involved, but also the level of staff cost and extra administrative needs. While we do our best to adhere to the following rates, they are subject to change if circumstances warrant it for the financial health of the program.

Programs Offered	Session Tuition	Cheer Membership Fee
All-Star Prep Squads	\$99	\$99
All-Star Elite Tiny Squads & All-Star Mini Squads	\$177	\$170
All-Star Elite Youth, Jr & Sr Squads	\$198	\$230

\*Sessions are 4 weeks

\*\* Prices Above Reflect Auto-Pay Rates

\*\*\* Cheer Membership Fee is charged at the beginning of everyone season on May 20th (or when first enrolling), this covers admin cost of cheer.

Transactions will typically clear your account a day or so after (if the 20th falls on a weekend, account is charged on following workday).

**PAY-IN-PERSON:** To pay in person you must simply do it before the 20th of month preceding the next session, otherwise it will be processed with Auto-Pay.

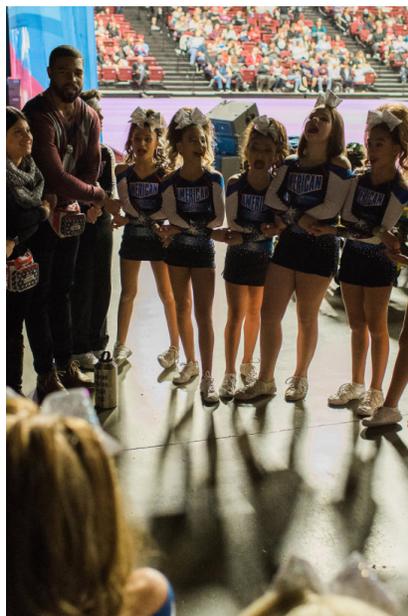

**MULTIPLE CHILDREN:** A 20% discount is given to families with more than one child in ANY AKSC program. You pay 100% of the 1st tuition (highest) and receive the discount on ALL additional tuitions (excluding cheer tumbling classes, hyper-flex classes, bargain classes and AKU)

**LATE FEES:** If tuition is not paid by the 20th of month preceding the next session, you will be assessed a \$15 late fee. If your account is past due on the first day of the session your child(ren) will not be allowed to participate in practice or competition. We are always open to helping you, so if you see a problem paying, call/email our Account Manager Tonia at [Tonia@aksc.com](mailto:Tonia@aksc.com). ## BOOSTER CLUB & SPONSORSHIP OBLIGATION

**JUMP Booster Club:** JUMP is our non-profit 501-C-3 booster club through whom we pay all competition expenses including, but not limited to, competition entry fees, staff wages-travel-lodging-meals to/at competitions, athlete and club USASF membership fees, choreography & music, end of season banquet & awards, accounting for JUMP and normal administrative costs. The JUMP board is made up of seven parent volunteers who oversee fundraising, approve the SO and when amounts are due.

**SPONSORSHIP OBLIGATION (SO):** Everyone contributes their SO either by use of fundraisers, or by being their own sponsor (or both). You are not "paying" for your child's competition thru a SO, you, as a member, are helping your non-profit booster club raise the funds needed to pay all related competition costs. Whether your child competes or not, makes no difference to your Sponsorship Obligation (SO) to JUMP. This distinction is important. This way if a squad member is injured, sick, or otherwise doesn't attend a competition, the coaches can ask a sub to fill in temporarily or long term.

Read the JUMP R&P for more details pertaining to the SO at the end of this packet. JUMP requires that you meet a minimum contribution each month (payment in full is also great). Many of our parents raise all their funds by the 2nd fundraiser... so can you!

**Below is a "pre-season estimate" based on last year.** Once we know how many squad members we have at each level our Cheer Director will determine a final competition schedule... and we receive published fees from the host organizations, we will finalize the SO based on a detailed budget... it is our goal to stay near the list below. Remember, JUMP is non-profit so what it cost to attend these fine competitions is what it cost and your SO is JUMP's only source of revenue. These figures are for the whole season and, again, are preseason estimates based on last year.

**PRE-SEASON ESTIMATED - Subject to Change based on actual entry fees**

**NEW MEMBERS ONLY:** To create your account with JUMP please do the following now:

On a computer, not your phone, go to <https://www.iclassprov2.com/icpv2/parentportal/americankidsjump> and then click on "Create a New Account" and just go from there!! EASY!

**OR**

**OR**

<b>September 5th</b>	\$65	\$133	\$200

JUMP will automatically collect any unmet balance after all fundraisers are applied to your account. Any account that is 30 days past due will incur a \$25 administrative fee. Failure to meet the SO will result in removal from routine and the competitions until such time the obligation is met, and they can be reworked into the routine (3 to 4 weeks).

# AMERICAN CHEER TRYOUT PACKET

## FUNDRAISERS:

We have great fundraisers and many families meet ALL their SO with them!!

JUMP's primary activity is coordinating fundraisers for you to use to meet your SO. You may use all of them, some of them, or none of them, the choice is yours. If you choose to not use them, just be prepared to pay the full SO for your squad in accordance with the schedule below. Soon after tryouts we will host a parent meeting where fundraising will be a big portion of the discussions. Dates TBA.

## WORLDS:

Not included in the SO. Flyers (Worlds Level 5) have the goal of attending the Cheerleading Worlds in Orlando, Florida in April. These squads will have mandatory involvement in additional fundraisers for the Worlds Fund, which is not covered by the previously mentioned JUMP SO. Squads that qualify to Worlds will need to contribute additional funds through additional fundraisers or personal donations. During the process of qualifying to Worlds, the squad may receive from a competition host a partial or "paid" bid. Please be aware that a "paid bid" does not cover all the cost of attending Worlds. Additionally additional special practice wear such as; bows, shirts, shorts, etc. will have to be purchased for the trip.

## THE SUMMIT:

Not included in the SO. The Youth, Junior and Senior divisions level 1 thru 4 squads (NOT Tiny or Mini) may have the opportunity to attend The Summit in Orlando, FL. To attend teams must earn a bid at a designated competition. If a squad receives the bid the director will ask parents of that squad if they will commit to going. If some choose not to attend, we will invite qualified subs from our other squads to fill their positions. The full costs of attending, including travel, is the responsibility of those attending, there is also an additional SO Summit fee determined after teams have received bids. This is a good reason to keep using fundraisers after meeting your SO.

**JUMP PAYMENTS:** JUMP, like American Kids, uses iClass Pro to charge, track and collect balances due. It is separate from your account with American Kids. Like you did with American Kids, you need to create an account with JUMP and set up auto-pay. IF YOU FUNDRAISE, JUMP will only collect any outstanding balance due any given month after taking into account the fundraising activity that has been posted. If you fundraise more than what is due any given month then no auto-pay will occur.

### RULES AND POLICY AGREEMENT

Rules and Policy Agreement  
American Kids Sports Center has a Rules & Policy Agreement for your participation in any of our competitive programs and for your participation with our booster club JUMP. You can find those rules and policies online at AKSC.com under "Rules and Policy Agreement" on the cheer page.

They are there for your benefit as they help create and maintain a healthy & strong program, as well as, an enjoyable atmosphere. Note, by just enrolling at AKSC you are agreeing to them. If you have a question about any of the R & P, feel free to email Mike@AKSC.com with your questions.

## TARA HAYES

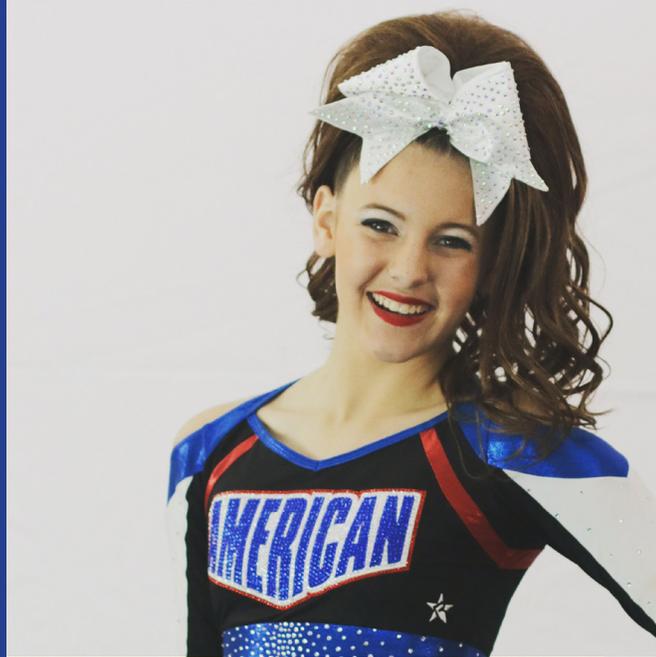

As a new member to the American Cheer family this year, I didn't really know what to expect in many areas. Like many of us, I was mainly concerned about the financial responsibilities above and beyond the monthly tuition. I came to learn that American offers numerous optional fundraisers that I would be able to use to raise some extra money to help with these costs. When we got the incredible news that we would be heading to The Summit it was crunch time -- time to do some serious fundraising! Being a single and full time working mom, fundraisers were a must. With the profit of the various fundraisers, both through American and a couple on my own, we were blessed and able to raise enough money to fully pay for my daughter and I to head on over to Summit. I now feel so much more prepared for next season knowing that it is definitely possible to raise funds even with very little extra time on my hands!

## TAWNY HOWARD

I started cheering at American when I was five years old. I loved performing on stage in front of so many people. After 4 seasons, I decided to venture out and try something different. I played basketball, volleyball, and soccer but nothing felt like it was my thing. Last year, I cheered for my middle school. It wasn't terrible but it felt like we weren't much of a team but more of just a group of girls who cheered together. This year I saw the tryout page for American cheer. At first, I was hesitant but then I decided to tryout.

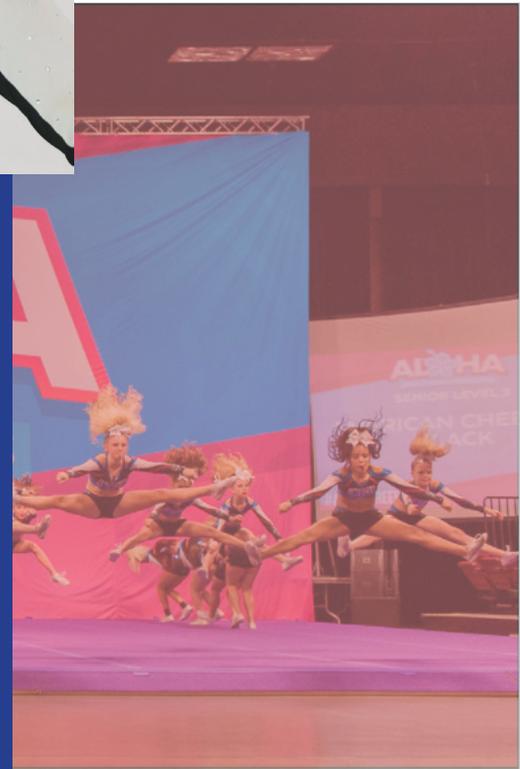

I am so glad that I did. Now I'm on small level three Junior Black team. I was so glad to see what a positive environment it had become. From praying in and out of practice, to the encouraging words, the coaches here are amazing. With Jason and Ashley, I've not only learned new skills in tumbling and stunting but also learning life lessons. Since I've been at American, I've been a happier person overall.

The team I'm on now is not just a group of girls I cheer with, they are my family. Everyone is so encouraging and welcoming. With this amazing team comes a lot of hard work. There are days I come home exhausted but I just remember Philippians 4:13 which says, "I can do all things through Christ who gives me strength." But after all of the hard work comes the reward and I can promise it is all worth it when you hear your team called as first place. I wouldn't be able to be apart of this team without the amazing support of my parents and grandparents. I don't know what my future holds but I know I will remember to always encourage others and will carry the wonderful memories I have from being involved with this program.

-Tawny Howard
