WELCOME

Welcome to the American Dancers' Workshop family! We are so happy that you have chosen ADW for your dance education. We want to make sure that you, the parent, and our students have a wonderful experience with us and know exactly what to expect out of our program. This packet will provide you with information about our program, fees, dates, policies, etc. Our "year" begins in August and ends late June with our annual recital! We then offer an amazing summer dance workshop so that your dancer can continue to train year round. Please keep this packet for future reference of dates and to help answer any questions you may have!

Welcome to the family!
Jennifer Skiby Plunkett; Dance Director

HISTORY

Dancers' Workshop was founded by Cathy Correa in January of 1965. Cathy opened a small studio on Chester Avenue where she had 30 students to begin. Eight years later, the studio had grown to around 100 students and Cathy moved to 1816 North Chester where she would expand and grow even more. In 1989, Cathy moved the studio to Airport Drive where it would remain until joining with American Kids in 2008.

Jennifer Skiby Plunkett, who took over as director in 2015, is a true product of American Dancers Workshop! She began her career with ADW at the age of 4 when she began dancing under our founder Cathy Correa. As a student, she received training under many prestigious master instructors and attended two summer intensives with the Radio City Rockettes.

Jennifer graduated from the University of Nevada Las Vegas with a BA in Communication Studies and a minor in Dance in 2011. During her time in Las Vegas, Jennifer danced for a UFL team, the Las Vegas Locomotives, and worked as a tabulator for State Dance Championships.

After graduating college, Jennifer danced professionally for Carnival Cruise Lines and was made Assistant Dance Captain, during one of her contracts. Once finding herself back on land, Jennifer began working for Spotlight Dance Cup as a Show Director / Events Manager and started teaching at ADW again; the rest is history!

Dancers' Workshop has always focused on not only educating our dancers, but also making memories that dancers will cherish forever.

PHILOSOPHY

Our philosophy here at American Dancers' Workshop is to provide professional quality dance instruction, while giving each student a deeper awareness of dance as an art form. Dance isn't just about the movements or tricks. Dance teaches many life lessons our students carry on with them such as: self-confidence, grace, strength, socialization, discipline, commitment and so much more. Our hope is to provide a professional and fun atmosphere that our students can learn and grow in as well as develop memories

CLASS LEVELS / SPECIAL REQUIREMENTS

Here at American Dancers' Workshop, we use age and levels to separate and determine the difficulty of each class. Personal development and growth is what we strive for. Only with time and dedication will a dancer get the proper skills and foundations needed for each level. Unlike other sports, dancers do not bridge up to the next level after every year. It is very likely that a dancer will spend at least 2-3 years in each level before mastering the skills needed to move up. Each dancer is unique along with each discipline! Thank you for giving us the time to help grow your dancer

Our Ballet Program

Each year our ballet program puts on a special storybook production. This year, our production will be Peter Pan! If you are enrolled in one of our ballet classes and choose to participate in the end of the year showcase, you will help tell the story by dancing in our ballet production. In order to put on a professional showcase, our ballet classes will be required to attend a few extra rehearsals outside of our normal class & dress rehearsal times. Tentatively, they are as follows:

June 8th:

In House Ballet Run thru and Finale rehearsal. This rehearsal will be held in the Multi Purpose room at our AKSC NW location. During the rehearsal, each cast will run the entire ballet from top to bottom as well as learn the ballet finale choreography. This rehearsal is extremely important for the dancers. While at rehearsal, they will learn the flow of the ballet, see which scene their dance takes place in, and get to experience the story come to life!

Tentative Times: 10:00am-2:30pm

Due to us not being able to rent the theatre on June 19th (Juneteenth - Federal Holiday) we will not be having a ballet tech day this year. Instead, we will have longer ballet rehearsals during our dress rehearsal time.

Our Variety Program

Our Variety section of dances consists of Pre K, Tap, Jazz, Hip Hop, Contemporary, Musical Theatre and Lyrical. We will have a Variety finale for our recitals which is optional for dancers! If you plan to be a part of the Variety finale we ask that you attend both rehearsals!

*Dancers must be 6yr+

Variety Finale Rehearsal Dates: June 1st & June 7th!

Musical Theatre classes will be part of a production that will be in all 3 show dates!

Pre-K Dance Program:

Welcome to our dance family! We know for most of you this is your first experience with dance so we wanted to give you a guideline of what to expect!

- Parents are not allowed in the classroom. As hard as it is, please refrain from peeking your head in and correcting your student! The teacher will come and get you if they need your assistance!
- Your dancer will always start class in their tap shoes. Absolutely no tap shoes are to be worn in our downstairs lobby for the safety of your child.
- Upon arrival at AKSC, please have your child use the restroom. We try to prevent bathroom use during class time as it can cause disruption, distraction and most times, a chain reaction.
- We ask that all dancers bring in a small bag into the classroom with their ballet shoes. Dancers will change into their ballet shoes on their own with supervision from the teacher and assistance when needed. If your dancer is struggling with the transition from tap to ballet shoes, we encourage parents to practice with them at home.
- We encourage good listening skills and behavior in the classroom.
- We know that it is tough to get your little ones dressed in the proper attire, but please make sure you are always following dress code and wearing tights.
